

## Fresh Sawn Oak for Structural Work

Our Fresh Sawn (Green) Oak is custom cut to your requirements from excellent quality, structural grade timber. Whatever your project, we offer the best quality timber with the best possible service.

Call us on 01730 816941 with your cutting list and we will call you right back with a price, it's that easy!

Fresh Sawn Oak orders are custom cut fresh from the round timber log for you

We keep some standard Fresh Sawn Oak stock sizes in the yard for you to take away

Fresh Sawn Oak is at the heart of traditional handmade, timber frame buildings

It is also at the cutting edge of modern building design and engineering

### Sample Sizes & Prices

If you're not sure what you need yet these examples should give you an idea of costs. The prices reflect order volumes over 0.5t. For smaller volume orders the price may increase slightly and for larger volumes it may get better!
